# Welcome

**KHURSHID R. GHANI, MBCHB, MS, FRCS**  
**& WILLIAM W. ROBERTS, MD**

Dear Friends,

We warmly welcome you to the 2023 Developments in Ureteroscopic Stone Treatment (DUST) Symposium. For the eighth year of our meeting, we have put together an exciting program on contemporary issues related to the endoscopic management of urinary stone disease. Next-generation laser systems and ureteroscopes, along with innovative ancillary devices are ushering in a new frontier in the tailored management of patients with kidney stones. We are proud to offer this CME activity as a platform for assimilating new surgical knowledge into your individual practices, share current practice standards, and incorporate new management strategies – with the goal of improved care for patients undergoing kidney stone surgery.

Over the next three days we will hear from many experts in the field of ureteroscopy and learn the latest on PCNL techniques, and the endoscopic management of upper urinary tract urothelial cancer. We are grateful to our Keynote Speaker, Dr. John Denstedt, Richard Ivey Professor, Division of Urology in the Department of Surgery, University of Western Ontario, Canada. A world-renowned endourologist, Dr Denstedt is the immediate past Secretary of the American Urological Association, and recipient of the 2019 Karl Storz Lifetime Achievement Award from the Endourological Society. We are also thrilled to welcome our invited international faculty, Dr. Matthew Bultitude and Dr. Annette Fenner from UK, Dr. Ioannis Goumas from Italy, Dr. Joel Teichman from Canada, and Dr. Nadya York from New Zealand. From the US, we are fortunate to have Dr. Jodi Antonelli, Dr. Casey Dauw, Dr. John Michael DiBianco, Dr. Mantu Gupta, Dr. Michael Lipkin, Dr. Brent Hollenbeck, Dr. Nicole Miller, Dr. Thomas Chi, Dr. Karen Stern, Dr. Wilson Molina, Dr. Mike Nguyen, and Dr. Kymora Scotland – all recognized leaders in their subspecialty areas. Their tremendous expertise and experience will greatly enhance the content of this meeting. All of these incredible urologists are here to teach you, and impart their knowledge and passion for innovation, education and patient care.

We would also like to take this opportunity to thank our industry partners, without whose generous support and collaboration this meeting would not be possible. We encourage you to join us for the industry sponsored skills lab on Saturday morning and listen to the presentations on State-of-the-Art advances during the industry sponsored sessions.

We hope you have a great meeting over these three days! One of Napa's finest hotels, The Meritage Resort is a welcoming and comfortable venue for our meeting. A reminder, please plan to join us at the Welcome Reception on Thursday evening to mix and mingle with colleagues and friends, and at Saturday morning's Balloon Debate, where we'll close the meeting in an educational but highly entertaining way – don't miss it!

If there is anything we can do to make your experience better, please do not hesitate to reach out to us. Finally, during these next few days please get involved by asking questions and sharing insights. We are here to learn from you too!

**KHURSHID R. GHANI, MBCHB, MS, FRCS**

Course Director  
Professor of Urology, University of Michigan

**WILLIAM W. ROBERTS, MD**

Course Co-Director  
Professor of Urology, University of Michigan

# DUST 2023 HIGHLIGHTS

## REGISTRATION & INFORMATION DESK

*Meritage Pre-Function Area / Salon Foyer*

Thursday, August 10 12:00 pm - 6:00 pm

Friday, August 11 6:30 am - 5:00 pm

Saturday, August 12 7:30 am - 11:30 am

## EXHIBITION HALL

*Salons III, IV & V*

Thursday, August 10 1:00 pm - 5:45 pm

Friday, August 11 7:00 am - 5:00 pm

Saturday, August 12 7:00 am - 11:30 am

## SPECIAL EVENTS

### **DIDACTICS** *Salons I & II*

Thursday, August 10 1:00 pm - 5:45 pm

Friday, August 11 8:00 am - 5:00 pm

Saturday, August 12 9:30 am - 11:30 am

### **WELCOME RECEPTION** *Salons III, IV & V*

Thursday, August 10 • 6:00 pm - 7:30 pm

### **HANDS-ON SKILLS LAB** *Salon VI*

Saturday, August 12 8:00 am - 9:30 am

### **BALLOON DEBATE** *Salons I & II*

Saturday, August 12 9:45 am - 11:15 am

# INDUSTRY SPONSORED PRODUCT THEATERS

# LEARNER NOTIFICATION

**DEVELOPMENTS IN URETEROSCOPIC STONE TREATMENT  
2023 ANNUAL MEETING  
AUGUST 10 – 12, 2023  
NAPA, CA**

## Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

## Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Developments in Ureteroscopic Stone Treatment (DUST). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Amedco Joint Accreditation #4008163.**

## Physicians (ACCME) Credit Designation

Amedco LLC designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Objectives - After Attending This Program You Should Be Able To

1. Demonstrate the indications and methodology of dusting technique during ureteroscopic laser lithotripsy when treating patients with kidney stone disease.
2. Explain the effect of different laser settings on fragmentation strategy and be able to select appropriate settings in different patients.
3. Appraise the evidence on ureteroscopic stone treatment success, quality of life after stone surgery, and medical therapy to treat kidney stones.

## Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1--6.2, 6.5)

**All individuals in a position to control the content of CE are listed below.**

**View Disclosures at <https://dustcme.com/disclosure/>.**

## HOW TO CLAIM YOUR CME CERTIFICATE

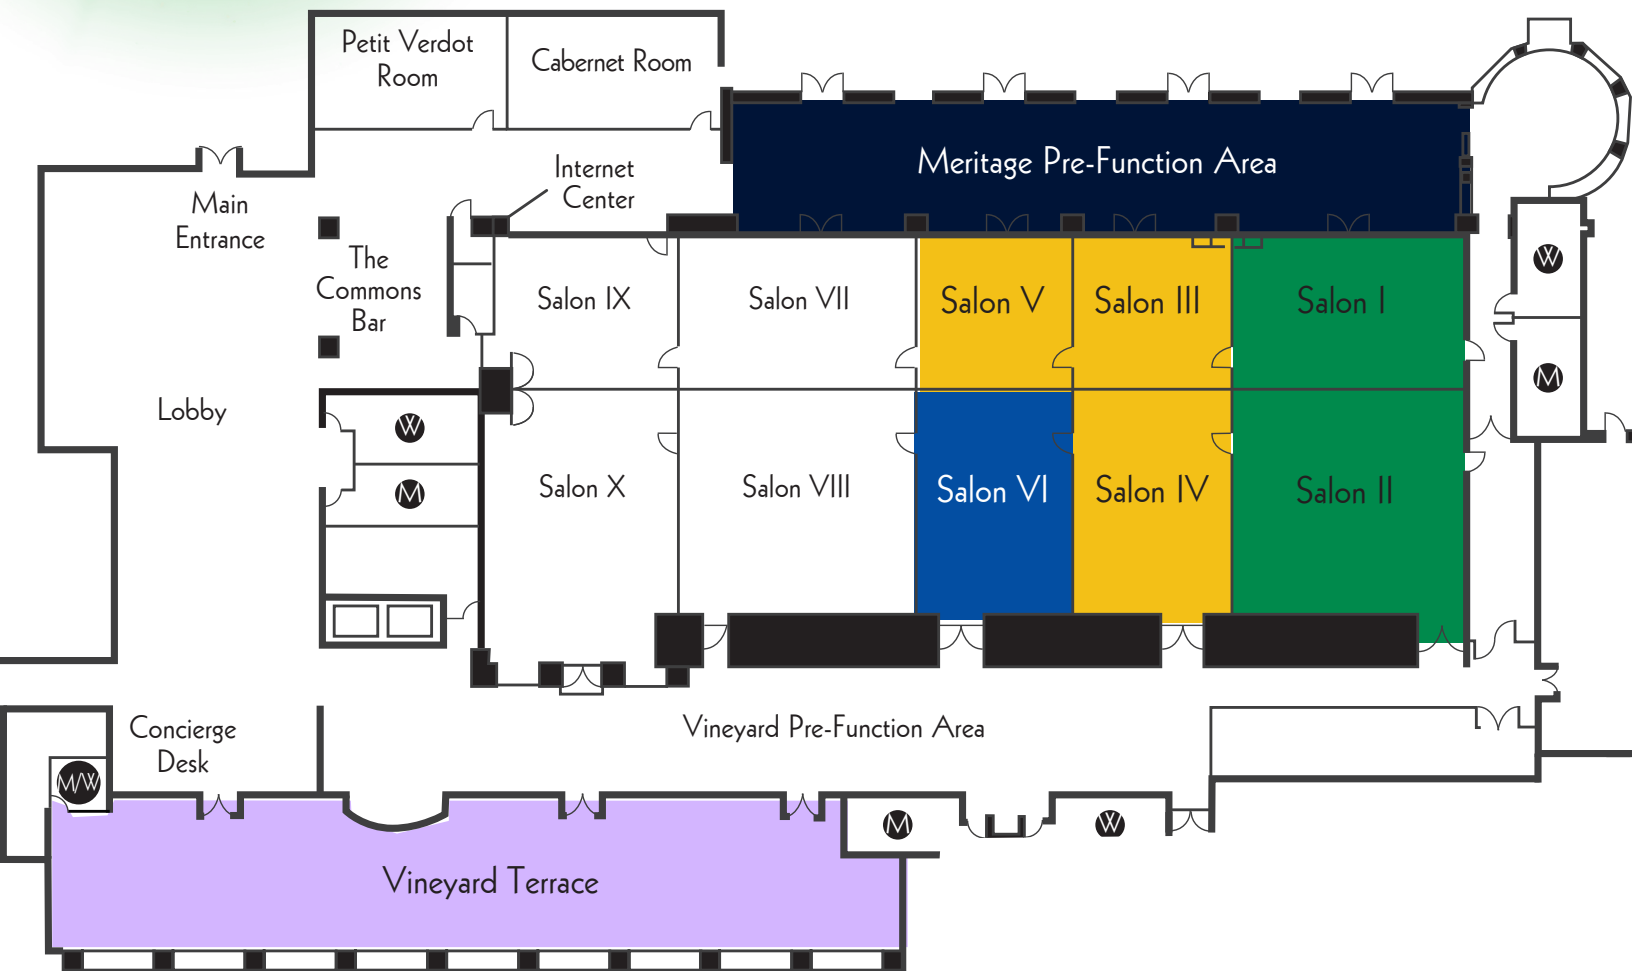

1. Go to <http://dust.cmecertificateonline.com/>
2. Click on the "2023 Annual Meeting" link.  
Evaluation will be available online from 8/12/2023 – 11/12/2023.
3. Evaluate the meeting and click the hyperlink provided on the last page to claim your credit certificate.
4. Save/Download/Print all pages of your certificate for your records.
5. If you lose your certificate, or need help, go to [help.cmecertificateonline.com](http://help.cmecertificateonline.com)

Questions? Email [Certificate@AmedcoEmail.com](mailto:Certificate@AmedcoEmail.com)
